Help preserve the 74’ Topsail Schooner WOLF and support our efforts to change lives through the healing qualities of MUSIC, ART & SAIL!

WOLF is preparing for her upcoming Inaugural NHF Cuba Humanitarian & Cultural Exchange Voyage, which departs DEC 2, 2015 from Safe Harbour Marina, in the Florida Keys.

WOLF’s Master, Finbar Gittelman (Pres, Key West Packet Lines, Inc., WOLF owner) just returned from six months at sea and is excited to be back in Key West working on his favorite ship.

Major preparations are underway and historic ships like WOLF require a lot of money & ongoing maintenance to keep them seaworthy!

We are fortunate to have a dedicated WOLF Crew and thank the many who have donated their time and talents over the years.

Several new WOLF sails are on order, decks are being rust-busted & painted, the hull is being sanded & varnished and other major refurbishing is taking place topsides and down below.

Even the engine room & bilges are happy!

WOLF’s hull integrity & rigging are in excellent shape and passed its 2014 USCG haul out inspection with flying colors. Next hull inspection is fall 2016 (when masts will need to be taken out for inspection.)

Having depleted their personal resources, Finbar and Julie are asking for your support to help preserve this piece of Key West Maritime History!

WOLF Waves of Change Voyage Support Fund will provide monies to do repair and renovations aboard the ship…and ready the ship for her exciting upcoming voyages!

All contributions are tax deductible and donations can be made directly to WHALE Center’s WOLF Waves of Change VOYAGE FUND.

WOLF is a classic 74’ gaff rigged topsail schooner built in 1982-1983 in Panama City, FL by Master builder Willis Ray & ADM Finbar Gittelman, 1st Sea Lord of the Conch Republic (WOLF’s Master.). Designed by Merit Walter, WOLF is a Norfolk Rover class steel hull schooner patterned after the blockade runners which plied the waters of the Florida Straits and Atlantic Ocean in the 19th Century. Designated the Flagship of the Conch Republic and the Florida Keys, WOLF is proud to also serve as Flagship of the Waves of Change Navy and Blue Communities Initiative.

WOLF is a Key West icon and has been featured in numerous publications, films and documentaries and continues to garner the attention of producers around the world. Future Waves of Change Voyages will be captured by documentarians and photo journalists sailing aboard WOLF.

Future voyages are planned through 2017 and will bring donated musical instruments & art supplies for island music & art academies. A Central & South American Voyage planned for 2018 & 2019.

In 1998, WOLF transported members of the Interfaith Pilgrimage of the Middle Passage to Cuba on their journey of retracing that ancient route of slavery.

WOLF has attended numerous seaport festivals and special events in the Caribbean, the Gulf of Mexico and East Coast (from Key West to Bristol, RI.) The 2012 Summer East Coast Ambassador Voyage included visits to Beaufort, NC, New Bern & River Dunes, NC; Baltimore, & Eastport, MD; Portsmouth & Smithfield, VA; New London & Groton, CT; Cape May, NJ; Bristol, RI and other historic ports of call.

Over the years, WOLF has also traveled pirate festival and island festivals in Green Turtle Cay, Bahamas (2006 & 2007); Cayman Islands (2000 & 2003); Port Antonio, Port Royal, Ochos Rios & Montego Bay, Jamaica (2002) and Mobile, AL (2003.)

Nachito Herrera Foundation (NHF)

NACHITO HERRERA FOUNDATION (NHF)
The Nachito Herrera Foundation (NHF) was created to enhance & increase the cultural exchange of musicians and musical genres between Latin America and the United States.

NHF acts as an agent of change that bridges the differences between peoples & cultures through music, and was formed in the State of Minnesota, and in 2014, IRS approved its 501 (c) status.

Having thorough experience & understanding of the Cuban system, NHF is uniquely qualified to interact with organizations and government officials in Cuba. Founded by Aurora Gonzalez Herrera & Nachito Herrera, one of the NHF’s first projects was to bring 70 members of the Cuban Symphony Orchestra to the United States in 2012 for a three month tour.

NHF brought the Minnesota Youth Symphony to Cuba several years ago and is planning a return visit in summer 2016.

Working in collaboration with the Dakota Jazz Foundation, Dakota Jazz Club and Restaurant and other organizations, the NHF offers on going music education programs and performances for children and adults around the world.

NACHITO HERRERA...Hot Cuban Classic Piano & Latin Jazz
Ignacio "Nachito" Herrera stunned Cuban audiences at the age of twelve in performing "Rachmaninoff’s Concerto No. 2" with the Havana Symphony Orchestra. In the late 1990’s, Nachito joined the famed Cuban Orquestra "Cubanismo" as its pianist, musical director & arranger and traveled the world performing at many of the world’s finest concert halls; and prestigious festivals in Europe, Far East, Canada, Central & South America and the USA.

"Explosive. Crowd Pleasing. Rhythmically intense. Romantic. Dynamic. Jaw-droppingly good" is how the Minneapolis Star-Tribune described his musicianship & creativity, a talent which, according to jazz critic & Playboy Guide to Jazz author Neil Tesser, "...vaults him into the upper echelon - a trinity comprising Chucho Valdes, Gonzalo Rubalcaba & now Nachito".

After leaving The Afro Cuban All Stars in 2009, Nachito now tours with The Universals... and other musicians of his own choosing and recently performed at the UN Reception hosted by the Cuban Embassy for Raul Castro in New York City.

Upon his return from the DEC 2 Inaugural NHF Cuba Waves of Change Humanitarian Voyage to Havana aboard WOLF, Nachito will play at the Cuban Embassy in Washington DEC 16.

Now residing in Minnesota, Nachito is a recipient of the prestigious 2014 Immigrant of Distinction Award, 2012 AILI Minnesota/Dakota Chapter American Heritage Awards, as well as Grammys & Emmys.

CONCH REPUBLIC…A State of Mind!
The Conch Republic (also known as Key West and the Florida Keys) like many nations, was born from trouble. The trouble started back in the dark days of March 1982, when the U.S. Federal Government placed a Border Patrol Roadblock at the Last Chance Saloon in Florida City.

On April 23rd, the Conch Republic flag was raised over city hall and the Schooner Western Union, under command of Captain John Kraus, went forth into the harbor and attacked the US Coast Guard Cutter DILIGENCE with water balloons, Conch fritters and stale Cuban bread.

The DILIGENCE fought back with fire hoses and thus commenced the Great Battle of the Conch Republic. Prime Minister Wardlow surrendered & demanded foreign aid from the United States (which we are still waiting for!) The road block was quietly removed and the glorious Conch Republic was born.

CONCH REPUBLIC NAVY & THE GREAT BATTLE OF THE CONCH REPUBLIC

Upon the passing of Admiral Harvey in 2005, Finbar was promoted to Admiral and First Sea Lord and today commands the world’s last all privateer, mainly sail propelled navy.

Each April Conch Republic Military Forces gather for the Island’s annual Re-enactment of the Great Battle of the Conch Republic. Schooner WOLF plays center stage for this festive battle on both land and at sea and is joined in battle by other members of the Conch Republic Navy, Army, Air Force, CIA as they battle the USCG Cutter designated to represent the DILIGENCE.

Featured on the Discovery Channel and the Travel Channel, citizens of the Conch Republic don their battle gear for this exciting adventure at sea that pits Tall Ships against Coast Guard Cutters for the biggest & baddest sea battle held annually anywhere in the world!
